1. What Are Cookies

Cookies are small text files stored on your device when you visit a website. They help websites remember your preferences and improve your experience.

2. Cookies We Use

AI Driven Success uses a minimal number of cookies, all of which are essential for the service to function:

Cookie	Purpose	Duration	Type
mtd_session	Authentication	7 days	Essential
mtd_user	Display your email	7 days	Essential

We do NOT use any advertising, tracking, or analytics cookies. We do not use third-party cookies. All cookies are strictly essential for the service to function.

3. localStorage

In addition to cookies, we use your browser's localStorage to store:

Key	Purpose	Contains
mtd_settings	Your QuickFile and Google Sheet settings	API credentials (never sent to our servers)

This data stays entirely in your browser and is never transmitted to our servers. You can clear it at any time through your browser settings.

4. Third-Party Cookies

We do not set any third-party cookies. However, if you use the Stripe payment links, Stripe may set their own cookies on their domain (buy.stripe.com). Please refer to [Stripe's Privacy Policy](#) for details.

5. Managing Cookies

You can control and delete cookies through your browser settings. However, disabling our essential cookies will prevent you from logging into the dashboard.

- **Chrome:** Settings > Privacy and Security > Cookies

- **Firefox:** Settings > Privacy & Security > Cookies
- **Safari:** Preferences > Privacy > Manage Website Data
- **Edge:** Settings > Cookies and Site Permissions

6. Cookie Consent

Because we only use strictly essential cookies (required for the service to function), we are not required to obtain consent under UK PECR (Privacy and Electronic Communications Regulations). However, we believe in transparency, which is why this policy exists.
